

NV Farmgate Sparkling White

Winemaking Style

This wine is a blend of a few different vintages of classic McLaren Flat Chardonnay. The parcels were kept in separate stainless steel fermentation tanks where they matured. The vintages were then blended, stabilised and filtered before being bottled.

Tasting Notes

Plenty of white peach/stone fruit aromas. A subtle creamy biscuit-like character follows through to a full, refreshing palate. Chill in a bucket of ice and enjoy on warmer days – it is the ultimate guilt-free bubbles.

Food Pairing

Extremely versatile with its pairing ability, it is best served with creamy seafood dishes and crisp green salads.

McLaren Flat – 100% Chardonnay

12% alc/vol | 7.1 standard drinks
